J. E. White,  
c/o General Conference,  
Takoma Park, D. C.

Dear Brother White:-

I have waited forty-eight hours for you and fully expected that you would be here today. However, Brother Bollman is on the grounds and you can tell him what you have on your mind as I understand from a letter received from the Home Office that you are especially anxious to see him and me together.

Regretting that you did not arrive in time to have the expected consultation and with Christian regards, we remain,

Yours in the work,

SOUTHERN PUBLISHING ASSOCIATION,

*R. Hook Jr.* Gen'l. Mgr.
