Dear Fellow Worker:

I am faced with a situation in my district with regard to the renting of our churches to other denominations for their worship services and also for their revival meetings.

There are a number on the church board, along with myself, who find it difficult to agree to do this. However, in all my searching I have not been able to find any mention in the writings of the Spirit of Prophecy where Ellen White makes mention of renting our churches to others.

If there is such a statement would you be so kind as to furnish me with it as soon as possible and give the reference. I would be most appreciative.

Thanking you in advance for your reply, I remain,

Sincerely yours in Christ,
